“We are thrilled to present Black Drawings and Other Things You Didn't Know About, an exhibition by Tim McFarlane, at the Mercer County Community College Gallery. McFarlane's work reflects a lifelong dedication to artistic exploration, where memory, time, and the transformation of human-made environments shape his vivid, multi-layered creations. His paintings and drawings offer intricate reflections of urban decay, anonymous graffiti, and the ever-shifting landscapes of our surroundings, blended with personal experiences and imagined spaces.”
